Residential Subdivision Review

Platteville-Gilcrest Fire Protection District reviews all submittals for proposed residential subdivisions, including single-family, duplex, single-family attached and multi-family. Plan review fees are assessed based on a count of the proposed number of fire hydrants in the subdivision as a means for estimating staff time dedicated to review of submitted drawings and plats for compliance with the adopted fire code. Fees also provide for staff attendance at planning and engineering meetings, periodic site inspections, and correspondence and consultation related to the project. Additional fees may be assessed for resubmittals or changes made to the initial submittal based upon the significance of the changes.

Contractor Licensing

As of January 1, 2022, all contractors installing and/or repairing fire protection systems (i.e., fire alarms, fire sprinkler, hood systems, etc.) within the Platteville-Gilcrest Fire Protection District jurisdiction are required to possess an applicable Registration with the Colorado Division of Fire Prevention and Control.

Fire Protection System Permits

The Platteville-Gilcrest Fire Protection District issues permits for installation of any new, or modification to any existing, fire alarm or fire sprinkler system, including kitchen hood systems. These permits are in addition to any permits required by the municipality/County. Permits shall only be issued upon review of submitted plans. Each permit shall be assessed the appropriate fee amount based on the square footage of the project.

Home-Based Daycares

Home-based daycare facilities will be assessed an initial review fee of \$75.00, which will also cover one site inspection. Additional reviews of re-submitted or revised plans, or additional site inspections shall be calculated at the rate of \$75.00 per hour, with a minimum fee of \$75.00.

After-Hours Inspections

Inspections of any type that are requested to be performed after normal business hours of 7:00 am and 5:00 pm, Monday through Friday, will be assessed a fee of \$75.00 per hour, with a minimum of two (2) hours billed.

Re-inspections

Every permit issued includes one (1) inspection for each phase of the project. If additional inspections are required beyond the one (1) allowed, a re-inspection fee of \$75.00 per hour, or fraction thereof, may be billed. Re-inspection fees must be paid prior to the third inspection and any subsequent inspections.

Operational Permits

The Platteville-Gilcrest Fire Protection District issues operational permits for many operations/processes that present special hazards to the public. Prior to issuance of any operational permit for hazardous operations/processes, the owner or operator shall submit a complete application package that provides all necessary details of operations/process to be provided. Plan review fees shall be collected at the time of application and shall include the operational permit, if approved. These fees provide for staff hours dedicated to review of submitted information, correspondence and consultation related to the project, and site inspection to verify compliance with all permit provisions. *These fees will be assessed in addition to any new construction/development review fees charged by PGFPD.*
